IVAN LOPEZ-RAMOS, )

Offense charged: Reentry of Removed Alien

Date of Detention Hearing: September 24, 2024.

The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention hereafter set forth, finds that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant is a native and citizen of Mexico. He has a mental health diagnosis

01 of schizophrenia and bipolar disorder, but has been without his prescribed medication while in  
02 custody. On behalf of his client, defense counsel does not oppose entry of a Detention Order,  
03 but wishes to reserve the right to ask for the order to be reviewed if defendant's mental health  
04 status changes once his prescribed medication is reinstated.

05         2. Defendant poses a risk of nonappearance based on foreign citizenship, a prior  
06 removal to Mexico, criminal activity and other pending charges, a history of failing to appear  
07 with resulting warrant activity, allegations regarding defendant's attempt to resist arrest or  
08 apprehension, criminal activity and other noncompliance while under supervision, substance  
09 use history, mental health concerns, and lack of employment. Defendant poses a risk of danger  
10 based on criminal history, a pattern of violent criminal conduct including resisting law  
11 enforcement, criminal activity and noncompliance while under supervision, substance use  
12 history, and a history of possible gang association.

13         3. There does not appear to be any condition or combination of conditions that will  
14 reasonably assure the defendant's appearance at future Court hearings while addressing the  
15 danger to other persons or the community. However, defendant may request review of this  
16 order if he can show that reinstatement of medication treatment results in a change of  
17 circumstances.

18 It is therefore ORDERED:

- 19 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney  
20 General for confinement in a correction facility;
- 21 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- 22 3. On order of the United States or on request of an attorney for the Government, the person

01 in charge of the corrections facility in which defendant is confined shall deliver the  
02 defendant to a United States Marshal for the purpose of an appearance in connection with a  
03 court proceeding; and

- 04 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for  
05 the defendant, to the United States Marshal, and to the United State Probation Services  
06 Officer.

07 DATED this 24th day of September, 2024.
